

# MemeFeed Sprint #3 Report - Meme Team - 2/26/2019

- Actions to Stop Doing
  - Stop discussing technical details during Scrum meetings
  - Stop having vague tasks
- Actions to Start Doing
  - Start componentizing things more
  - Start merging after every completed task
  - Finishing tasks and user stories
  - Start thinking about the tasks when creating them and make them really specific
  - Start bringing Post-Its to Sprint Plan meetings
- Actions to Keep Doing
  - Keep doing a good job! (on things like UI)
  - Keep communicating like we are
  - Keep working together
  - Keep bringing snacks to meetings
- Work Completed/Not Completed
  - About 91% tasks completed
  - Not Completed:
    - User Story: (1) As a user, I want to be able to see a Friend Feed which displays memes my friends liked. (14)
      - Task: Pull memes from firebase that the user's friends have liked and sort them in chronological order. (6) (Zac)
    - User Story: (4) As a User, I want to be able search and look up someone else's page, to see only their content (16)
      - Task: Implement the firebase functionality of the search typing a name and the results appearing in the search results. (9) (Jon)
